239/1125	20.11.2025	Mooring Byelaw request help from North Devon ward Cllr Coombs, she will report back to the clerk, to enable enforcement. See minutes 237/1125. Member of the public has kindly moved the abandoned boat further down the beach and plans to relocate it again when conditions allow. On inspection noted complex ropes and attachments; further investigation required.	
<b>276/0126</b>	15.01.2026	Cllrs Athur is in communications ref Byelaws - Update due February 2026 Lease document confirmed date and wording 3034 is correct.	
<b>Section 106 monies</b>	21.07.24	Planning obligations under Section 106 of the Town and Country Planning Act 1990 (as amended), commonly known as s106 agreements, are a mechanism which make a development proposal acceptable in planning terms, that would not otherwise be acceptable. – Nothing heard.	
	21.9.23	Cllr Scott to chase the Environment Agency.	
	18.1.24	<b>Cllr Scott</b> now has a contact email address for local EA re licence for benches	
	18.09.2025	Instow have provided NDC with two S106 schemes – one for benches on the seaward side of the flood defence wall outside John's shop part of Marine Parade and the other for information boards for walkers in the Puttermouth beach dunes.	
<b>BEACH SAFETY</b>	22.11.23	EA responded via email,22.11.23 passed to Beach Committee Russell Smith Asset Performance Advisor, North Devon russell.smith1@environment-agency.gov.uk	
	18.09.2025 / 16.10.2025	The clerk reported that EA were adamant that there would be no bollards on the ramp up to the beach. The clerk to write to EA about liability of any accidents on the beach due to vehicles using the slipway access. . <del>Beach Safety significant progress reported. The Environment Agency has agreed, subject to legal covenants, to allow</del>	
239/1125	20.11.2025	installation of an AOL (lifesaving equipment) on the beach. Nick confirmed via email to the Chair there are no covenants restricting access or installation. Christie's have provided written consent (emails received). Copies of land registry documents and Christie's emails will be sent to confirm agreement. Proposed timeline: Work to be carried out in January, 2026 unless objections arise. Council noted this as a major positive development.	
259/1225	11.12.2025	Significant progress reported. – Bollard to be erected once Environment Agency has confirmed the recommended specification. Clerk to report back at January 2026 meeting.

<b>NDC garages, wall and position of defibrillator</b>	19.10.23		
	19.05.2025	The main wall is now demolished, down to the stone plinth. The specification was to build off this stone plinth but a section at the ramp end of the car park is essentially just stone and earth, so needs strengthening before this can happen. The structural engineer has visited and advised that we build a concrete ring beam on top of the wall to lay the bricks on. Aesthetically the wall will look the same, as we will face the small section of concrete beam with brick slips. As this is a variation to the planning application, NDC have confirmed have to go back to committee

	19.06.2025	Allocated Parking : At the moment there is no movement on the cost of a space. After feedback from the public I have contacted the estates team and is agreed that the approach is it to only be offered to permanent residents of Instow. NDC Cllr Coombs has requested if they are minded to change this at any point she consulted on it. The original figure for the permit was set at £1,560.00 per annum. After feedback from Councillors and the public, NDC reduced the figure to £1,250.00 per annum. NDC believe this is a fair price. NDC are offering the spaces to all former garage tenants in the first instance. NDC endeavour that all other spaces will be available to permanent residents only
