Help Us Prepare for Emergencies in Instow

**Flooding
& Storms**

**Severe
Weather**

**Power
Cuts**

**Community
Support**

Instow Parish Council is **updating the Community Emergency Plan** to help our village prepare for and respond to emergencies such as flooding, severe weather, seisms, power cuts and other events that could affect our community.

As a coastal village, it is particularly important that we know what resources, skills and local knowledge are available within our community.

A questionnaire leaflet will be included with next month's parish magazine.

We would be grateful if residents could take a few minutes to complete the questionnaire and return it to:

**Share your
skills and equipment**

**Help identify
vulnerable residents**

**Support your
community**

**Help us be
better prepared**
