

Memorial Benches on Instow Front

Every year Instow Parish Council receives many requests to have a bench on the front at Instow to remember a beloved person who has died.

Due to the demand in the past there we are unable to put new benches in, and can only replace benches when spaces become available due to benches becoming unusable and not being replaced by the donor.

At present, if there is no space available the request is put on a waiting list, and when a space becomes available the applicant is notified. This can take years.

We have decided to provide a Memorial Bench for those who want a memorial plaque for their loved ones, and do not mind sharing a bench. Instow Parish Council suggest a minimum donation of £50 for placing a memorial plaque on this bench. The maximum size of the plaque would be 4 1/2 inches by 2 ½ inches (11.5cm by 6.5cm).

If you do not want to share a bench, then you are always welcome to put your name on the waiting list for a new bench. Or if you are on the waiting list and would prefer to transfer to this Memorial Bench you are welcome.

Please contact the Parish Clerk if you are interested in having a plaque on the new bench. Clerk@instowparishcouncil.gov.uk.
